TECHNICAL LETTER No 23- 2021

FROM: NASHA Technical Department  
TO: NASHA exclusive surveyors-Owner  
SUBJECT: CONDITIONAL CERTIFICATES FORM P-RS-03  
DATE: NOVEMBER 01<sup>ST</sup> , 2021

---

## Dear Organization Members / Surveyors

The purpose of this letter is to inform about updates on our format "P-RS-03 PROCEDURE FOR VESSEL WITH DEFICIENCIES".

According to these procedures please be advised that the correct way to proceed in cases of deficiencies during an annual, initial or renewal inspection, is to contact NASHA and the Administration in order to request authorization for the issuance of a conditional certificate until the deficiency or equipment with failure has been repaired. All correction shall be sent to NASHA head office prior to the authorization valid date.

This preventive measure is to avoid Ships detentions during PSC and ASI, if those deficiencies are found during these inspections.

Please find attached for your reference and waiting for your confirmation of "SAFE RECEIPT, READ and UNDERSTANDING".

*Many thanks and best regards,*
