TECHNICAL LETTER No 1- 2024

FROM: NASHA Technical Department
TO: NASHA exclusive surveyors-Owner
SUBJECT: USE OF THE ELECTRONIC SURVEYOR SIGNATURE ON THE CERTIFICATES
DATE: FEBRUARY 29th, 2024

To: Organization Members / Surveyors

Good day.

Dear Exclusive Surveyors,

the purpose of this letter is to inform you that since the beginning of operation of the NASHA app, electronic certificates have been used, which has greatly streamlined electronic documents.

We have received Interim electronic certificates done by the surveyors *without the digital signature on the certificates*, for which we reiterate that they must have the electronic signature of the surveyor to avoid detentions in flag inspections and port state control.

If any surveyor has not uploaded the digital signature in the NASHA APP, they must notify the NASHA Head office.

Regards

Waiting for your confirmation of “SAFE RECEIPT, READ and UNDERSTANDING”.
